

Frequently asked questions...

Q Why use No1 Currency and not a high street bank?

A No1 Currency is a foreign exchange specialist that not only saves you money but also offers an unrivalled level of personal service.

The main reason our clients choose us is because of the savings to be made and the pro-active service we offer. These are services and rates banks usually reserve for corporate clients.

Q How long does it take for a transaction to take place?

A Depending on the origin of the benefiting account, it is possible to have funds deposited in 24 hours. A normal transaction will take 2-3 days from cleared funds.

Q How much do you charge per transaction?

A Transactions over £5000 are free, there will be a charge of £10 for those below £5000. Other than the cost of the currency there are no other charges.

Q How do I know my money is safe and secure?

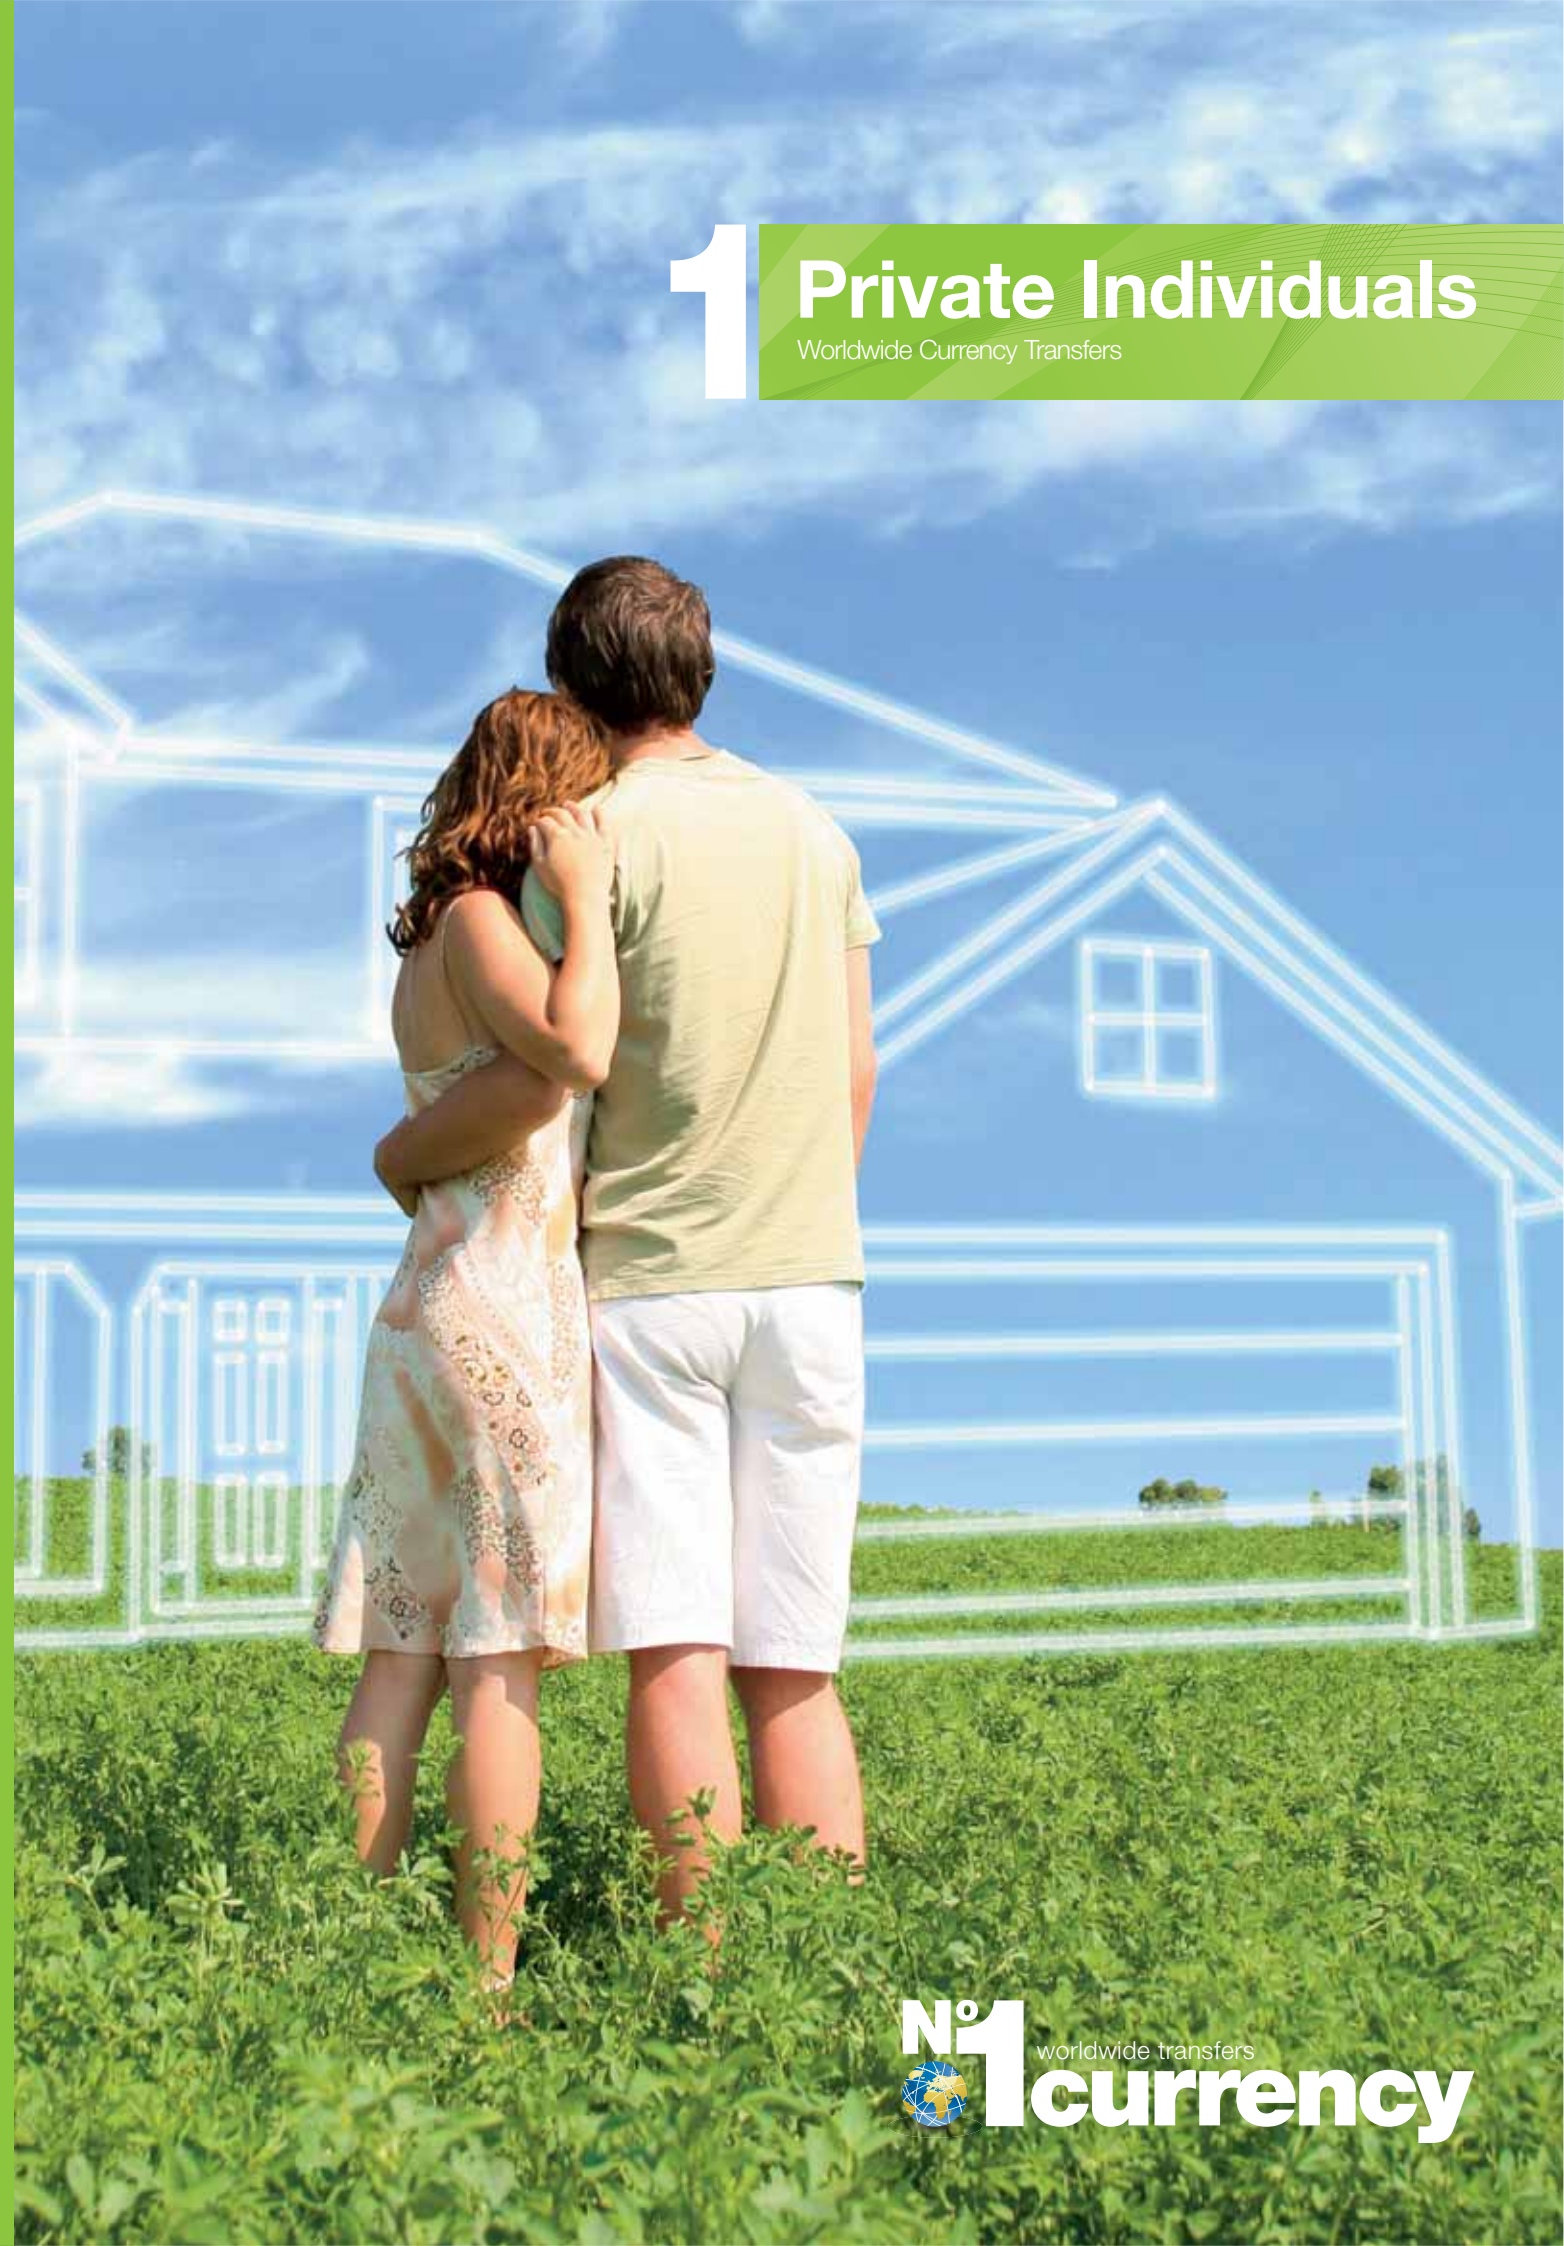

A You will be comforted to know that No1 Currency complies with the Bank of England regulations for international money transfers and is licensed by HM Revenue and Customs as a Money Services Business under registration number 12117919.

Worldwide Currency Transfers

No1 Currency...

...for the private individual

No1 Currency is a foreign currency specialist. We realise that value for money and great service are key, which is why we offer tailor made services and exchange rates you'll find hard to beat.

Whether you are buying a house abroad, planning to emigrate or require a one-off worldwide transfer - No1 Currency provide a **fast, efficient, safe and secure** service, **protect** you from currency fluctuation and ultimately **save you money**.

And this is how we do it:

Bank beating exchange rates

We will provide you with live market rates, help you buy when the market is right for you and if you have a desired rate in mind our Rate Watch service will ensure you have the option to purchase if that rate is achieved.

No commission and no charges

We do not charge a commission. There are no fees or charges on transactions over £5000 (Nominal £10 fee for transactions under £5000).

Guidance and support

The whole currency exchange process can seem daunting and unfamiliar. With No1 Currency you talk directly with experienced foreign currency specialists who will support and guide you through your transactions.

Fast, safe and secure service

A rate can be secured over the telephone and it is possible to have funds exchanged & deposited in a beneficiary account within 24 hours (country dependant). No1 Currency complies with the Bank of England regulations and is licensed by HM Revenue and Customs.

Market analysis/news updates

Keeping you informed of the latest market news and information on a daily, weekly or monthly basis will help you make decisions based on fact not speculation.

No1 for you...

No1 Currency can help make significant savings over high street banks by providing you with a choice of services banks normally reserve for corporate clients.

We provide an unrivaled personal service that will guide and support you through your foreign currency transactions. Our experience and expertise have helped thousands of customers save money.

Overseas Property Purchase

With open borders and ease of travel, more and more people are investing in the overseas property market, our specialists are on-hand with a choice of products to help ensure your investment is not ruined by unexpected currency fluctuations. For those of you with an overseas mortgage, we can also fix a rate for up to 2 years in advance.

No1 for property investments!

Emigration

Starting a new life abroad? It's never too early to discuss the movements of your assets with a foreign currency specialist. Your personal account manager is on-hand to help you plan this move and ensure your new life abroad gets off to the best possible start.

Make the move with No1 Currency!

Money Transfers

Whatever you need foreign currency for, No1 Currency have the products and service to suit.

We guarantee you a great deal!

What our clients say...

As soon as we started planning the move last March, I began to consider the implications. The best financial advice I can offer anyone is to look at the market and remember that you do have an alternative to the high street banks.

Overall, No1 Currency saved me a significant amount of money - especially in comparison with the high street banks - in terms of charges and foreign exchange rates.
